

Let's Rally!

Thank you for hosting a rally!

Hopefully this list will guide you through the event.
Suggestion: Get another SCC couple to co-host the rally and halve the work to double the fun.

11 Easy Steps !

1. Find a good RV park that has a rally room (with fridge and cooking stove), big enough to hold about 40 people.
2. Visit the park and get info on their rally policy, i.e.
 - Rate per night for coach parking and
 - Cost of rally room (if there is one) plus
 - Dates that the park can accommodate us
3. Reserve our rally; estimate # of coaches (18-20)
4. Decide what we will . . .
 - See, (the RV park will tell you what is nearby)
 - Eat, (breakfast, steak cookout, potluck, pizza, or nothing at all)
 - Do, (will we have a lady's luncheon, play games, have happy hours, have a raffle to raise \$ for our service dog project, tour special places in the community, etc.)
5. Then . . . make reservations if needed for the group events (ladies, men, or whole group).
6. Based on the above determine what the rally registration fee \$\$ will need to be to cover costs (providing breakfast, steak dinner fixings, deserts, etc.).
7. Make a rally schedule/agenda that includes . . .
 - RALLY EVENTS
 - Cost for members (see #5), do they mail it or bring it to rally
 - Hosts' address, phone number, email
 - RV park information including contact person at park, website information, address, and phone number so members can make their own reservations.
 - Cost to members for special events (tours, etc.) if necessary
8. Contact MEMBERS to help decorate, cook breakfast, grill steaks. Don't be shy, ask for help; we all want to help!
9. Note: you will be provided
 - List of chapter members with contact information
 - Budget info from the SCC treasurer
 - List of available chapter supplies and utensils
10. Give a copy of the schedule/agenda to the SCC president. The president will send rally information to:
 - SCC webmaster for posting on chapter website
 - National ACA website and Magazine
 - Send out mass informative email to all members
11. Hosts should arrive at rally ahead of time to buy groceries for breakfasts, etc. and arrange the rally room.
